Office Evolution is pleased to assist Flowood Chamber members with their essential business needs, including private office space, meeting space, virtual offices, telephone services, and much more. Office Evolution is the nation's largest locally owned and operated coworking network, with over 80 offices across the country, serving entrepreneurs, small businesses, large businesses, and more.

For all Flowood Chamber members, Office Evolution offers 50% off the first meeting room booking. Our meeting rooms are complete with full audio/visual equipment, Polycom™ conference phones, Starbucks™ coffee, high-speed Wi-Fi, and more. Meeting rooms are available by the hour, half day, or day, and offer businesses a professional, Class A office setting with property amenities such as the new Sheraton Hotel/Resort and Refuge Golf Course.

In addition, Office Evolution offers all Chamber members first month free on business address services (after activation fee). With a business address at Office Evolution, businesses can list their business on Google™ and other online search engines, receive USPS, UPS, FedEx, and more, book meeting rooms, and grow their business without growing their overhead.
