FRIENDS OF CHILDREN'S HOSPITAL ANNOUNCES NEW OFFICE LOCATION

JACKSON, MISS. (August 20, 2024)– Friends of Children's Hospital, a nonprofit organization dedicated to supporting Mississippi's only children's hospital, announces the relocation of its office. Effective August 27, the organization will be fully operational from its new location at 200 Park Circle Drive, Suite 2A, Flowood, MS 39232. This move places the Friends office strategically closer in proximity to Children's of Mississippi.

"We are thrilled about the move," said Kristin Allen, Chairman of the Friends of Children's Hospital Board of Directors. "Being closer to the hospital allows for stronger collaboration and enhances our ability to support the hospital, particularly patients and their families."

The new location reflects Friends of Children's Hospital's ongoing efforts to improve operational efficiency and accessibility, furthering the positive impact on the community it serves.

Friends of Children's Hospital invites all donors, supporters and community members to visit the new office, where it will continue to advance its mission of elevating the healthcare experience for children in Mississippi to create hope, smiles and a place where patients can be kids.
